

Announcement: Special Category Verification Process

Attention Applicants,

It has come to our notice that some students' names have been listed under special. This might be due to incorrect selections made during the application filling.

Key Instructions:

1. No Certificate, No Verification:

- If you do not belong to any special category and your name appears on the list, you are not required to attend the certificate verification process.
- Students whose names appeared in the list and cannot produce the required special category certificates should not get panic; they will be considered under the general selection process.

2. Forgot to Mention Special Category in Filled Application:

- If you have a valid special category certificate but did not mention it during your application, you can still attend the verification process. Ensure you do this on the day designated for your respective category's verification.

Please make sure to follow these guidelines to avoid any confusion during the verification process.

Thank you for your cooperation.
